Heated 2-Chair Set - Indigo
The Solerno Collection

be outmore.

From a Thanksgiving wish, to an outdoor living revolution.

Five years ago, during a chilly Thanksgiving dinner, Kevin wished for **heated** seats when propane heaters failed to keep guests warm. That moment sparked Outmore Living. Combining Kevin's outdoor furniture expertise with Alex's technical skills, they've been on a mission to redefine outdoor comfort ever since.

The Outmore Difference

As the only outdoor furniture in the world with patented **heated** cushions, Outmore HeatTech™ unlocks the potential of outdoor spaces, transforming patios, decks, and yards into year-round outdoor living spaces.

Upgrade & Refresh

Guaranteed frame compatibility with future generations of HeatTech

Replaceable and swappable Sunbrella® cushion covers

Behind the Heat

Outmore **HeatTech™** is a patented system combining battery, cushion, heating, and charging technologies for seamless, unmatched outdoor comfort.

Radiant Heating

Flexible state-of-the-art heating elements provide powerful, instantaneous heat

Secure Connections

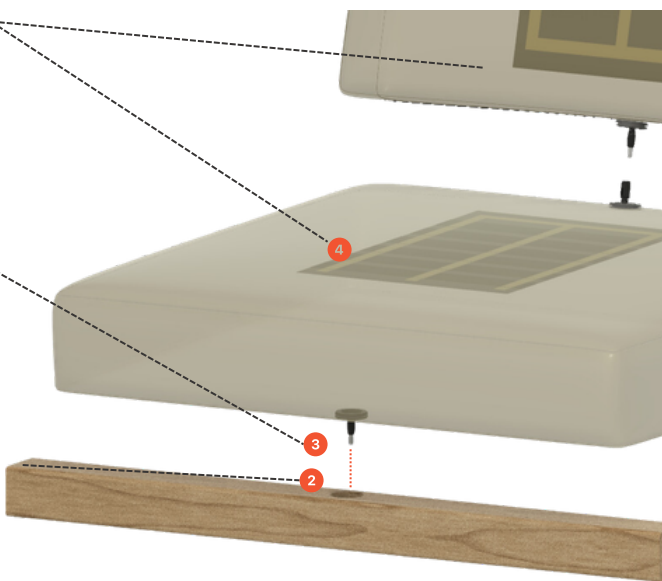

Locking connectors with waterproof grommets ensure safe reliable operation

Integrated Mounting

Components are discreetly housed in a seamless integrated design

Magnetic Attachment

Connect the power bar easily thanks to the built-in magnetic design

More effective

20x

MORE EFFICIENT HEAT
TRANSFER THAN
PROPANE HEATERS¹

More sustainable

78x

FEWER CO₂ EMISSIONS
THAN PROPANE HEATERS²

More usage

**120
days**

AVERAGE INCREMENTAL
NUMBER OF DAYS OF
OUTDOOR COMFORT³

1. Propane heaters emit approx. 135 lbs of carbon dioxide compared to Outmore's 1.7 lbs of carbon dioxide per million BTU.

2. Based on a survey that interviewed 2,500 paid respondents.

3. Based on average days between 25-65 degrees outside.

The Solerno Collection

The Solerno Collection's design is remarkable for its simplicity paired with striking functionality. With subtle arm curves, a beautifully crafted teak back, and built-in radiant warmth, it's a timeless addition that enhances any outdoor space year-round.
